Elias Johnson

Computer Science Undergraduate

+(541) 974-2350 | eliascarljohnson@gmail.com | linkedin.com/in/eliasjohnson- | https://elias-johnson.github.io/

PROFESSIONAL SUMMARY

I am a passionate and diligent individual driven by the desire to serve others, a lifelong learner and problem solver with a sharp eye for the meticulous. I am proficient in multiple programming languages and paradigms such as object-oriented design and procedural/functional programming. Well-versed in version control and Agile methodologies, I have experience with the product development process, delivering quality work with a diverse team.
